Ministru għall-Wirt Nazzjonali, l-Arti u l-Gvern Lokali //
Minister for the National Heritage, the Arts and Local Government

"Il-Kultura ta' Nazzjon tgħix fil-qlub u fir-ruħ tan-nies tagħha". Dan huwa kliem Mahatma Gandhi li bla dubju ta' xejn se jkun rifless fil-programm daqstant estensiv u interessanti li l-Agenzija Kulturali għall-Belt Valletta ħasbet li tipprepara għall-Programm Kulturali tal-2022. Matul dawn ix-xhur, se naraw iseħħu quddiemna bosta attivitajiet kulturali b'taħlita ta' arti, arti performattiva u ħafna aktar. Kull element se jkun qed jgħin biex insaħħu aktar il-kultura li nafu kemm hija importanti u maħbuba mill-poplu Malti u Għawdxi. Il-fatt li quddiemna qed naraw dan il-programm, għandu jġiegħlna nħossuna kuntenti u kburin li wara li fl-aħħar snin kellna noqogħdu lura minn avvenimenti simili, issa ninsabu lesti u determinati li dak kollu li hemm preparat jasal fil-qlub ta' dawk kollha li għandhom għal qalbhom il-kultura.

"A nation's culture resides in the hearts and in the soul of its people." These words by Mahatma Gandhi, seem to reflect directly this extensive and interesting programme that the Valletta Cultural Agency has prepared for the 2022 Cultural Programme. During these months, we shall be seeing several cultural activities with a mix of arts, performing arts and much more. Every element will help to further strengthen our culture, which is very important and loved by the Maltese and Gozitan people. The fact that we are seeing this programme, has to make us feel fortunate and proud. This is especially due to the fact that during recent years we had to refrain from organising such events. By means of all these activities, we are ready and determined to touch the hearts of all those who love culture.

Chairman
Valletta Cultural Agency

Hekk kif id-dinja qed tiffaċċja diversi sfidi, qodma u ġodda, bħalissa huwa kruċjali aktar minn qatt qabel li l-arti tingħata prijorità. Wara kollox, l-arti toffri għodda essenzjali – tfarraġ, tferraħ, tirrabja, tisfida, jew terġa' tagħti ħajja ġdida lill-ħsieb tagħna. Mingħajr il-kultura, nirriskjaw li noħolqu soċjetà li, materjalment, għandha ħafna biex tgħix, imma li m'għandhiex raġuni għaliex tgħix. L-arti tibqa' fost l-akbar katalisti għad-dibattitu, u d-dibattitu huwa l-akbar katalista għall-bidla.

Dan il-programm huwa riflessjoni mill-qalb ta' dan kollu.

As the world faces numerous challenges, old and new, it is crucial now more than ever the need for arts to take centre stage. After all the arts offer tools for living - to console or delight or enrage or challenge or revitalise dulled perception. Without culture we run the risk of creating a society that materially has lots to live with but lacks a sense of what to live for. Art remains one of the greatest catalysts for debate, and debate is the greatest catalyst of change.

This programme is a heartfelt reflection of all this.

Huwa ta' unur u ta' pjaċir li mmexxi entità li taħdem biex ittella' avvenimenti u inizjattivi kulturali ta' kwalità għall-pubbliku Malti fil-Belt Kapitali ta' gżiritna, aktar u aktar issa li d-dinja tinsab lura fit-triq lejn in-normalità. Sfortunatament, matul l-aħħar sentejn il-kultura u l-arti kienu fost l-aktar setturi li ntlaqtu mill-effetti negattivi tal-pandemija tal-Covid-19. Issa li l-agħar parti tinsab warajna, l-Aġenzija Kulturali għall-Belt Valletta tinsab ħerqana biex terġa' tibda ttella' l-avvenimenti, kemm kbar kif ukoll żgħar, biex intaffu l-effetti ta' dak li esperjenzajna lkoll flimkien. Nistednuk tingħaqad magħna fuq dan il-vjaġġ ta' riġenerazzjoni; ejja nerġgħu nimlew it-teatri, is-swali tal-kunċerti u l-ispazji tal-esibizzjonijiet biex noħolqu konnessjonijiet u esperjenzi sinifikanti flimkien!

It is an honour and a pleasure to be heading an entity which is tasked with bringing quality cultural events and initiatives to the Maltese public in the islands' capital city, even more so now that the world is on the path back to normality. Unfortunately, in the past two years culture and the arts were amongst the sectors that most felt the adverse effects of the Covid-19 pandemic. Now that the worst is behind us, the Valletta Cultural Agency is thrilled to be once again hosting events, both large and small, to heal the collective trauma we have all experienced. We invite you to join us on this journey of regeneration; let us once again fill theatres, concerts and exhibition spaces to create meaningful connections and experiences together.

VALLETTA CULTURAL AGENCY

Bħala proġett tal-legat ta' Valletta 2018, l-Aġenzija Kulturali għall-Belt Valletta tkompli tibni fuq il-momentum li nħoloq matul is-sena tal-Kapitali Ewropea għall-Kultura billi torganizza progamm ta' sena, ta' avvenimenti kulturali ta' kwalità, li jvarjaw minn avvenimenti ta' skala kbira li jattiraw udjenzi kbar bħall-Valletta Green Festival u l-Valletta Pageant of the Seas, għal kunċerti mużikali, prestazzjonijiet taż-żfin u produzzjonijiet teatrali li huma iżjed intimi.

As a Valletta 2018 legacy project, the Valletta Cultural Agency continues to build on the momentum created during the European Capital of Culture year by organizing a year-long programme of quality cultural events, ranging from large-scale crowd pullers such as the Valletta Green Festival and the Valletta Pageant of the Seas, to more intimate music concerts, dance performances and theatre productions.
