Your proposal

Start-up

Please provide a brief description of your start-up and the persons applying for this residency (max 2 persons). (max 200 words)

Plan

Please describe your objectives for this residency, including an action plan with realistic milestones and methodology for at least three activities. What results do you wish to achieve?

Please support your answer with data which may help us understand the relevance of this experience to the growth of your business and contribution to the local urban mobility ecosystem (max 1500 words)

Innovation

Does your proposal involve any innovative elements that you are exploring? Please describe them and their relevance to support research and innovation in sustainable urban mobility in Malta.

Outreach, Experimentation and Creativity

Do you plan to engage with local communities of residents and/or professionals (in sustainable mobility or other areas) during your activities? If yes, who would you like to engage with and why? How do you think this will help you develop your business?

(max 500 words)

Relevance to the Call for Proposals

Are you planning to engage with the local community in a way that will lead to the delivery of at least the minimum number of outcomes requested in the call?

Resources

Do you need access to any particular equipment or resources whilst at the VDC?
